Notice to Design-builders, trade contractors and subcontractors:

The State of Oklahoma, on behalf of the Oklahoma Military Department, is issuing a Request for Qualifications (RFQ) for a new Field Maintenance Shop in Ardmore, Oklahoma with a closing date of 2:00 p.m., June 29, 2020. The Field Maintenance Shop will be approximately 20,457 gross square-feet with a cost ceiling limitation of \$8.7 million (federal funds). Project award is anticipated to be September 2020 with an estimated project duration of 18 to 24 months.

Registered Design-Build teams will be notified and invited to request an electronic copy of the RFQ by emailing a statement of interest the Owner's Representative. In order to submit a response to the RFQ, Design-Build teams must be registered with the State of Oklahoma. Non-registered design-builders should email cap@omes.ok.gov for the instructions on registering.

Subcontractors and trade contractors, whether considered design-build or not, are encouraged to solicit area Design-Builders to be a part of the design-build team(s) submitting proposals. A list of Design-Builders registered with the State may be obtained by either retrieving the unofficial list from omes.ok.gov/services/construction-and-properties/, or emailing cap@omes.ok.gov and requesting an official list.
